

Dear Members,

As we approach the beginning of our new season, we would like to share the arena protocols from the Char-Lan Recreation Centre and the Township of South Glengarry.

Please take time to read these protocols before arriving to the arena for your first skating session.

1. Skaters and guardians must only arrive 20 minutes before their session and must exit within 20 minutes after their session to ensure proper cleaning and turnover in the facility.
2. All skaters and spectators must sign in upon arrival at the front table.
3. Masks are required. Face masks must be worn by all persons entering the facility and in dressing rooms. Skaters may remove their mask in the dressing room immediately before entering the ice and must put their mask back on once they return to the room. Skaters may wear a mask while skating, although it is not mandatory.
4. Please arrive as ready to skate as possible. Dressing room space may be reduced.
5. At this time, the facility is limiting the number of spectators to 1 parent per skater.
6. The seats in the lobby are reserved for spectators who cannot access the bleachers.

Please ensure that you have completed the COVID-19 waiver on your Uplifter account before Monday September 13th, 2021.

Together we can have a safe and healthy skating season.
